

Friday-07.11.2025.

Opening Ceremony

09:00-09:30

09:00-09:10

Welcome address on behalf of the national societies

Hrvoje Gašparović (HR)
Ivan Knežević (SI)
Svetozar Putnik (RS)
Nermir Granov (BA)
Marjan Shokarovski (MK)

09:10-09:20

**Welcome address on behalf of the Croatian Academy of
Sciences and Arts**

Davor Miličić

09:20-09:30

Welcome address on behalf of the EACTS

M. Milojević

DEBATE 1

09:30-11:05

Advanced heart failure management

Chairmen: I. Gošev, K. Wood, I. Knežević, H. Gašparović, D. Miličić

09:30- 09:45

Minimally invasive LVAD implantation
K. Wood

09:45-10:00

The future of durable MCS
I. Knežević

10:00-10:15

From LVAD to Heart Transplantation
I. Gošev

10:15-10:30

**Durable biventricular MCS (Contemporaneous or staged RVAD
support)**
H. Gašparović

10:30-10:45

Comparison of DCD and DBD heart transplantation programs
D. Miličić

10:45-11:05

Panel Discussion

**Coffee Break & Posters Viewing****11:05-11:20****DEBATE 2****11:20-12:55****Minimally invasive valve surgery****Chairmen:** F. Bakhtiary, J. Vojaček, N. Granov, H. Gašparović, L. Velicki,
D. Baković Kramarić11:20- 11:35 Endoscopic mitral surgery
F. Bakhtiary11:35-11:50 Robotic mitral surgery
J. Vojaček11:50-12:05 Endoscopic aortic valve surgery
N. Granov12:05-12:20 Endoscopic atrial fibrillation surgery
T. Kopjar12:20-12:35 Technical pitfalls of minimally invasive approaches
L. Velicki

12:35-12:55 Panel Discussion

Satelite Symposoum ABBOTT**13:00-14:00****DEBATE 3****14:00-15:30****Optimal Aortic Root management****Chairmen:** F. Bakhtiary, J. Vojaček, D. Unić, S. Mićović, Ž. Đurić14:00- 14:15 Endoscopic aortic root surgery
F. Bakhtiary14:15-14:30 The Ross procedure revisited in the current era
J. Vojaček14:30-14:45 Valve sparing aortic root replacement (reimplantation)
S. Mićović

14:45-15:00 Aortic root enlargement for small aortic annuli
D. Unić

15:00-15:15 Aortic root surgery in the congenital arena
Ž. Đurić

15:15-15:30 Panel Discussion

Coffee Break & Posters Viewing

15:30-15:40

DEBATE 4

15:40-17:10

Coronary artery disease management

Chairmen: M. Milojević, J. Bulum, S. Putnik, M. Petričević, T. Kopjar, I. Lekšan,
V. Radeljić

15:40- 15:55 Contemporary surgical revascularization guidelines
M. Milojević

15:55-16:10 Interventional cardiologist's perspective on the treatment of
multivessel coronary artery disease
J. Bulum

16:10-16:25 Multiple arterial grafting
S. Putnik

16:25-16:40 Minimally invasive CABG
M. Antonić

16:40-16:55 Treatment of complications of coronary interventions
I. Lekšan

16:55-17:10 Panel Discussion

17:20-19:00 AtriCure Workshop

Isolator Synergy Clamps and AtriClip Workshop

Moderator / Chairman: T. Kopjar

Broj sudionika ograničen je na 15 osoba.

Prijavu za radionicu pošaljite na: jelena@spektar-holidays.hr

Hall 2
Nurses and Perfusionists Session

14:00–17:30

Saturday–08.11.2025.

YOUNG SURGEON'S PRESENTATION

08:00–08:25

Chairmen: S. Putnik, I. Knežević, N. Granov, D. Belina, M. Shokarovski

08:00- 08:25 e-POSTER oral presentation

DEBATE 5

08:30–10:00

Transcatheter vs conventional surgical approaches

Chairmen: M. Bunc, I. Medved, H. Gašparović, K. Marić Bešić, M. Petričević

08:30- 08:45 TAVR for low risk AS patients
M. Bunc

08:45-09:00 SAVR for low risk AS patients
I. Medved

09:00-09:15 Surgical mitral valve repair in the TEER era
H. Gašparović

09:15-09:30 Transcatheter pulmonary valve interventions
K. Marić Bešić

09:30-09:45 Rapid deployment aortic valves as a solution to small aortic
roots
M. Petričević

09:45-10:00 Panel Discussion

**DEBATE 6****10:00-11:30****Optimal management of acute cardiogenic shock****Chairmen:** E. Potapov, D. Lovrić, D. Barić, M. Planinc, S. Jovev

- | | |
|-------------|--|
| 10:00-10:15 | Contemporary approach to temporary mechanical circulatory support
E. Potapov |
| 10:15-10:30 | Interventional cardiologist's approach to acute cardiogenic shock
D. Lovrić |
| 10:30-10:45 | Post-pericardiotomy shock
D. Barić |
| 10:45-11:00 | Acute MCS in congenital cases
M. Planinc |
| 11:00-11:15 | Lung transplantation program in Croatia
T. Kopjar |
| 11:15-11:30 | Panel Discussion |

Coffee Break**11:30-11:45****DEBATE 7****11:45-13:00****Aorta****Chairmen:** I. Rudež, I. Šafradin, D. Belina, M. Shokarovski, J. Šikić

- | | |
|-------------|---|
| 11:45-12:00 | AATS/STS/ESC guidelines: Impact on therapy in acute aortic syndromes
I. Rudež |
| 12:00-12:15 | Beyond the stent: Addressing complications following TEVAR
I. Šafradin |
| 12:15-12:30 | Homograft use in the pediatric population
D. Belina |
| 12:30-12:45 | How to avoid neck pain in FET surgery
M. Shokarovski |

**Clinical
Debates**

of the Southeast
European Society
for Cardiac Surgery

Zagreb, CROATIA, Hotel Sheraton 07-08 November, 2025

12:45-13:00

Panel Discussion

Closing Cermony

13:00-13:05
